Description

The 2024 Ford Ranger 2.0 SiT XL Single Cab Manual is built for strength, efficiency, and everyday practicality. Powered by Ford's advanced 2.0-litre Single-Turbo diesel engine, it delivers excellent torque, impressive fuel economy, and smooth, reliable performance — ideal for contractors, tradesmen, and business owners. The manual transmission offers full control and durability, while the high-rider stance provides improved ground clearance and visibility on all terrains. Inside, the cabin is modern and functional, featuring Bluetooth connectivity, air conditioning, multi-function steering, USB ports, and smart storage solutions. The spacious load bin offers outstanding utility for transporting tools, equipment, or goods. Known for its durability, low running costs, and exceptional build quality, the Ranger XL remains one of South Africa's most trusted bakkies. Clean, tough, and ready for work — this Ranger is the perfect partner for productivity and performance.
