Description

The Ford Territory's a modern, family-focused small utility vehicle (SUV) that blends a sleek, sophisticated design with advanced technology and a spacious, comfortable interior. It is powered by a 1.8L EcoBoost engine paired with a seven-speed automatic transmission, featuring a high-tech interior with a large central touchscreen, a digital instrument cluster, and comprehensive driver-assist technologies for safety and convenience. The Territory is designed to appeal to modern families seeking a stylish, capable, and connected vehicle for both daily commutes and adventures. A prominent 12.3-inch touchscreen serves as the infotainment hub, complemented by a 12-inch digital driver's cluster. Other features include wireless Apple CarPlay and Android Auto, a wireless charging pad, and USB ports.
