Registration	Registered	Fuel Type	Tax Band	Colour
CH85PFZN	2025	Petrol	N/A	Red
Engine Size	Interior Trim	Fuel Consumption		
1.5 l	N/A	N/A		

Description

The X50 brings traditional crossover dimensions to the Proton range and what was most noticeable when first getting into it was how surprisingly spacious the cabin truly is. The shell has you thinking the X50 is compact but with my seating position, which is right at the back of the railings, there was plenty of leg room at the rear as well as a decent boot to work with should you need to carry anything with you. The price excludes dealer fees and smash and grab protection film. Errors and omissions Reserved. T&Cs apply

Simon Vermooten Rd, Wattloo, Pretoria, South Africa

Located at **CMH Ford Ballito**
