Description

Looking for a premium 7-seater SUV that blends power, luxury, and fuel efficiency? The 2025 Proton X90 1.5T Flagship (MHEV) ticks all the boxes. Equipped with a Volvo-engineered 1.5L turbocharged engine and a mild hybrid system, it offers a smooth yet responsive drive while improving fuel economy. Inside, it's all about comfort and space—with plush captain seats in the second row, advanced safety features like ADAS, and a panoramic infotainment system to keep everyone connected. Whether you're commuting in the city or heading out on a family road trip, the X90 delivers on performance, practicality, and premium features—without the premium price tag. If you're upgrading your family ride or looking for an SUV with tech, style, and efficiency, the X90 Flagship is the smart choice.
