### Description

Unleash the legend – the 2025 Ford Mustang 5.0 Dark Horse Auto is here to thrill! Why this Mustang is a must-have: Pure V8 Power – Beneath the hood roars a 5.0L naturally aspirated Coyote V8, pushing out a staggering 373kW (500+hp), paired with a 10-speed automatic transmission for lightning-fast shifts and a pulse-pounding drive. Track-Ready, Street-Legal – Engineered for serious performance with MagneRide adaptive suspension, Brembo brakes, performance exhaust, and track mode tuning – this is the most focused Mustang ever made for the road. Dark Horse Exclusive Styling – Bold, aggressive, and distinctive. Unique aero kit, black badging, special alloy wheels, and sinister Dark Horse design elements turn heads wherever you go. Tech-Savvy Cockpit – Step into a modern driver-focused cabin with a 12.4" digital cluster, 13.2" touchscreen, SYNC 4, Recaro seats (optional), and ambient lighting that screams performance and precision. Next-Level Confidence – Equipped with Ford Co-Pilot360, including adaptive cruise control, lane-keeping assist, blind-spot monitoring, and more –

so you can harness the beast responsibly.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa

**Located atCMH Ford Ballito**
