### Description

**Stylish Design:** The X50 boasts a modern and attractive exterior, making it stand out in the compact SUV segment.

**Performance:** Equipped with a 1.5-liter turbocharged engine, the X50 delivers a commendable 130 kW (174 hp) and 255 Nm of torque, providing a responsive driving experience.

**Safety Features:** The Standard model includes essential safety features such as 4 airbags (front and side), brake assist, hill hold and descent control, auto brake hold, electronic stability control, ABS, EBD, and rear parking sensors with a reverse camera.

**Comfortable Interior:** The cabin is designed with a minimalist and clean layout, featuring leatherette seats and a user-friendly center console.

The price excludes dealer fees and smash and grab protection film. Errors and omissions Reserved. T&Cs apply
