Description

The Ranger is built to handle demanding tasks with ease while maintaining respectable fuel efficiency. Inside, the cabin is fitted with modern features including a 10.1-inch touchscreen infotainment system equipped with SYNC® 4, wireless Apple CarPlay and Android Auto, and Bluetooth connectivity. Practicality meets comfort with manually adjustable seats, air conditioning, and a spacious layout that suits family and crew use. Safety is well covered with six airbags, electronic stability control, hill launch assist, Its rugged yet refined design, generous ground clearance, and advanced tech make the 2025 Ranger XL a dependable all-rounder for South African roads.
