Description

Experience the future of driving with the 2026 MG Cyberster Dual Motor in stunning Andes Grey. This all-electric marvel combines cutting-edge technology and exhilarating performance, boasting a powerful 375 kW engine and a remarkable 725 Nm torque. Accelerating from 0 to 100 km/h in just 3.2 seconds and reaching a top speed of 208 km/h, the Cyberster is designed for those who crave speed and efficiency without compromising on sustainability. The Cyberster offers an impressive electric range of 443 km, ensuring you're ready for both city commutes and longer journeys. With an average energy consumption of 19.1 kWh/100 km, it provides an eco-friendly driving experience, emitting zero CO2 emissions. The vehicle comes with a comprehensive warranty covering up to 200,000 km, offering peace of mind as you enjoy the seamless blend of performance and practicality. Perfect for the modern driver, the MG Cyberster is not just a car - it's a statement of innovation and environmental consciousness. Price excludes dealer admin, license & registration fees, and optional extras. Ts & Cs Apply
