Engine Size	Interior Trim	Fuel Consumption		
2 l	N/A	N/A		

Description

Long gone are the days of bakkies being uncomfortable transport and having to wrestle the steering wheel to keep it planted. In fact, the Wildtrak's driving dynamics are a lot more car-like than a ladder frame load carrier would suggest and currently boasts the best ride quality out of all the double cabs in the market. Apart from how comfortable it is to drive; they're a handy tool for carting things around and I suspect there are a number of sportscar owners who have a bakkie in the driveway as well. Come and view our Premium Wildtrak range and spoil yourselves. Service plan: 6 years/90 000km. NB!!! Advertised Price is subject to financing through Motus Ford (T's & C's apply).

Simon Vermooten Rd, Waltloo, Pretoria, South Africa

Located at Motus Ford Culemborg
