Description

Ready for work. Built for adventure. The 2025 Ford Ranger 2.0D XLT 4x4 Auto Double Cab delivers on every front! Why this Ranger deserves a spot in your driveway: Strong & Efficient Performance – Powered by a refined 2.0L Single-Turbo diesel engine, this bakkie offers a solid mix of power, torque, and fuel economy – perfect for both work and play. 4x4 Capability – Take on tough terrain with confidence thanks to its part-time 4WD system, electronic rear diff-lock, and Hill Descent Control – making it ideal for off-road enthusiasts and professionals alike. XLT Premium Features – Enjoy a smarter drive infotainment, a large touchscreen with Apple CarPlay & Android Auto, LED headlights, reverse camera, and a modern, comfortable cabin. Rugged Yet Refined – The 2025 Ranger combines bakkie toughness with SUV-style comfort, thanks to its bold design, high-quality interior, and smooth auto transmission. Loaded with Safety – Equipped with advanced driver aids like pre-collision assist, lane-keeping system, 7 airbags, and adaptive cruise control, the Ranger XLT prioritizes your safety on every journey.

Whether you're hauling loads, heading off the beaten track, or simply want a double cab that's as smart as it is strong – the 2025 Ranger XLT 4x4 Auto delivers unmatched capability, comfort, and value.
