Description

The Ford Everest 2.0D Bi-Turbo XLT is a robust and stylish mid-sized SUV designed for both urban and off-road adventures. Powered by a 2.0-liter Bi-Turbo diesel engine, it delivers an impressive balance of power and efficiency. This enables the Everest to handle challenging terrains with ease while providing a comfortable and stable driving experience on highways. The XLT variant comes equipped with a range of advanced features, including a high-quality infotainment system with a large touchscreen, Apple CarPlay, Android Auto, and a suite of driver-assistance technologies such as adaptive cruise control, lane-keeping assist, and automatic emergency braking. We provide a Roadworthy Certificate and a 160 multi-point Ford Approved quality check on all of our vehicles for your peace of mind. Arrange a test drive with any of our professional and friendly sales executives. Any trade-in welcome. Easy finance available within 3 hours. The price excludes dealer fees and smash and grab protection film. Errors and omissions Reserved. T&Cs apply.
