**Description**

The Ford Everest Platinum is a luxurious and powerful seven-seat SUV offering a comfortable, quiet, and refined ride, especially with its powerful V6 engine and full-time 4x4 system, though the ride can be jarring on large bumps due to 21-inch wheels. It boasts a high level of standard technology and premium interior features like Nappa leather, a large infotainment screen, and a premium sound system, making it a capable adventure vehicle and a sophisticated family hauler that rivals other premium SUVs at a competitive price point.

**Positives:**

- Powerful V6 Engine:** The 3.0L V6 turbo diesel engine provides effortless power and smooth performance, making it excellent for towing and everyday driving.
- Comfortable and Quiet Interior:** The cabin offers impressive refinement, plush and supportive seating, and a notably quiet environment, reducing road and wind noise.
- Premium Features:** The Platinum trim includes high-end amenities such as Nappa leather seats,

heated and cooled front seats, a panoramic sunroof, and a 12-speaker Bang & Olufsen sound system. Capable Off-Roader: Built on a rugged ladder-frame chassis, it features a full-time 4x4 system, robust off-road drive modes, and a substantial 226mm ground clearance. Advanced Technology: Standard features include a large infotainment touchscreen, a driver's digital display, adaptive cruise control, and Active Park Assist. Excellent Road Presence: The American-truck-inspired styling with distinctive LED headlamps gives it a bold and imposing look. Considerations: Firm Ride: The 21-inch wheels can lead to a jarring ride over potholes and large bumps, although the vehicle can handle rough off-roading well. Fuel Efficiency: 6 YEARS OR 90 000KM SERVICE PLAN 4 YEAR OR 120000KM WARRANTY

Simon Vermooten Rd, Waltloo, Pretoria, South Africa
