Description

The 2025 Ford Ranger 2.0D XL A/T Double Cab is designed for drivers who want strength, practicality, and modern comfort in one dependable package. Powered by Ford's efficient 2.0L diesel engine paired with a smooth automatic transmission, it delivers excellent fuel economy, strong torque, and effortless everyday driving. The updated Ranger platform features a bold exterior, LED lighting, a tough chassis, and improved ride quality for both work and leisure. Inside, the XL trim offers a clean, functional cabin with intuitive technology, including Bluetooth, reverse camera, multifunction steering wheel, and advanced safety systems. The spacious double cab ensures comfort for passengers, while the durable load bin and impressive towing capability make it ideal for business, travel, and family life. Whether navigating city streets or tackling weekend adventures, the 2025 Ranger XL offers reliability, versatility, and long-term value.
