Description

The Ford Ranger 2.0D Turbo Wildtrak X 4WD AT is praised for its strong off-road capability, powerful 2.0-liter bi-turbo diesel engine (), and comfortable on-road ride that rivals SUVs. While its 10-speed automatic transmission can sometimes shift hesitantly, and it has a more robust suspension that may compromise some on-road refinement compared to a standard Wildtrak, its off-road prowess, advanced technology, and improved fuel efficiency make it an excellent choice for those who prioritize both daily driving and adventurous excursions. Enjoy nationwide delivery and tailored finance solutions through Ford Credit. Ontheroad costs not included. Ts & Cs apply. Reach out now to book your test drive or get all the information you need.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa

Located at Jaffes Ford
