Description

The Ford Ranger 2.0D XLT HR A/T D/C P/U is a capable and well-equipped double-cab pickup, praised for its balance of workhorse ability and daily comfort, featuring a 2.0L bi-turbo diesel engine, a 10-speed automatic transmission, and a modern, connected cabin with the SYNC 4 infotainment system. It offers a comfortable and spacious interior, strong towing capacity (3,500 kg), and a host of safety and driver-assist technologies. While it handles well on and off-road, some reviewers note average fuel consumption around 9.8 L/100km, with efficiency being a key benefit of the diesel engine. Enjoy nationwide delivery and tailored finance solutions through Ford Credit. Ontheroad costs not included. Ts & Cs apply. Reach out now to book your test drive or get all the information you need.
