### Description

Discover the 2021 GWM P-Series 2.0TD Double Cab LS, a robust and versatile pickup designed for both work and leisure. With a sleek silver exterior, this vehicle combines style with functionality. Under the hood, the front-positioned 2.0-liter turbo diesel engine delivers a formidable 120 kW of power and 400 Nm of torque, ensuring a powerful yet efficient drive. The engine's i4 cylinder layout and 78-liter fuel capacity contribute to an impressive average fuel consumption of 9.0 L/100 km, providing an estimated range of 867 km on a full tank. This double cab variant is perfect for those who need both passenger space and cargo capacity. Whether you are navigating city streets or tackling tougher terrains, the GWM P-Series offers the reliability and performance you require. A manufacturer's warranty adds peace of mind, making it an ideal choice for families and professionals alike. With CO2 emissions averaging 219 g/km, this vehicle also aligns with environmentally conscious driving standards. Experience the

balance of power, efficiency, and practicality with the GWM P-Series.
