### Description

The Ford Ranger 2.0L Bi-Turbo Tremor is designed for those who crave adventure and capability. Its 2.0L Bi-Turbo diesel engine delivers strong torque and efficiency, paired with a 10-speed automatic transmission for smooth, responsive performance. The Tremor package adds serious off-road upgrades, including all-terrain tires, skid plates, off-road suspension, and a locking rear differential, making it perfect for challenging trails. Inside, the cabin combines practicality with modern tech, featuring SYNC 4, digital displays, and advanced driver-assist systems for safety and convenience. Whether you're tackling rugged terrain or cruising on highways, the Tremor offers durability, versatility, and confidence for drivers who demand more from their bakkie. Enjoy nationwide delivery and tailored finance solutions through Ford Credit. Ontheroad

costs not included. Ts & Cs apply. Reach out now to book your test drive or get all the information you need.
