Description

Experience the perfect blend of power and efficiency with the 2025 Ford Ranger 2.0 Sit Double Cab XL Manual. This versatile workhorse is equipped with a 2.0 turbo diesel engine, delivering 125 kW of power and 405 Nm of torque. Its average fuel consumption of 6.9 L/100 km and an impressive fuel range of 1,159 km make it a cost-effective choice for both urban commuting and long-distance travel. The front-engine, four-cylinder layout ensures optimal performance and reliability. Finished in classic white, the Ranger features essential conveniences like cruise control and rear park distance control, enhancing both safety and comfort. The spacious double cab design is ideal for families or work teams, offering ample room for passengers and cargo alike. Covered by a comprehensive warranty, this Ford Ranger promises peace of mind and enduring value. Whether tackling tough terrain or navigating city streets, this vehicle is built to meet diverse driving needs with ease and efficiency.
