Description

Experience the power and versatility of the 2026 Ford Ranger 2.0 Biturbo Double Cab Wildtrak 4x4. Designed for both rugged terrains and urban landscapes, this white powerhouse offers a robust 2.0 turbo diesel engine delivering 154 kW and an impressive 500 Nm of torque. With a fuel efficiency of 7.5 L/100 km and a generous 80-liter tank, you can expect an outstanding range of up to 1,067 km, making it a reliable companion for long journeys and daily commutes alike. The Wildtrak variant's 4x4 capability ensures superior off-road performance, while its double cab design offers ample space for passengers and cargo. Safety and convenience are prioritized with advanced features and a comprehensive warranty for peace of mind. This model's efficient i4 cylinder layout and low CO2 emissions of 195 g/km further emphasize its practicality and environmental consideration. Whether for work or adventure, the 2026 Ford Ranger Wildtrak is equipped to meet your needs

with style and substance.
