### Description

This 2025 Ford Ranger 2.0 XLT Double Cab Automatic is a superb example of Ford's latest-generation bakkie, offering modern styling, excellent comfort, and impressive capability. Presented in like-new condition, it has clearly been well cared for and drives exactly as it should. The 2.0-litre turbo diesel engine delivers strong, smooth performance while remaining fuel efficient, and the automatic transmission makes everyday driving effortless. The XLT specification adds a higher level of comfort, technology, and safety, making this Ranger equally suited to work, family duties, or leisure use. With its spacious double cab interior, refined ride quality, and commanding road presence, this Ranger offers outstanding versatility and value. If you are looking for a modern double cab bakkie that still feels brand new, this 2025 Ford Ranger 2.0 XLT Automatic is an excellent choice.
