Description

Experience the perfect blend of power and practicality with the 2026 Ford Ranger 2.0 Sit Supercab XLT. This versatile workhorse is equipped with a robust 2.0 turbo diesel engine, delivering 125 kW of power and 405 Nm of torque, making it ideal for both city driving and off-road adventures. Its efficient fuel consumption of 7.5 L/100 km and an impressive fuel range of 1,067 km ensure fewer stops at the pump, offering you more time on the road. The Ford Ranger’s spacious Supercab design provides ample room for passengers and cargo, making it suitable for both professional and personal use. Its front-engine layout and i4 cylinder configuration ensure balanced performance, while the sleek white exterior adds a touch of modern elegance. Backed by a comprehensive warranty, this vehicle promises reliability and peace of mind. Whether you’re navigating urban landscapes or exploring the great outdoors, the Ranger XLT is engineered to meet your demands with style and efficiency.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa
