### Description

Experience the perfect blend of power and efficiency with the 2026 Ford Ranger 2.0 Biturbo Double Cab Tremor 4WD. This robust pickup, finished in Carbonized Grey, is designed for those who need reliability on and off the road. Its 2.0-liter turbo diesel engine delivers an impressive 154 kW of power and 500 Nm of torque, ensuring you have the muscle necessary for any adventure. The Rangers intelligent design boasts a 4WD capability, making it ideal for tackling diverse terrains with ease. Equipped with a spacious double cab, this Ranger variant offers comfort for passengers and practicality for cargo. With an average fuel consumption of 7.5 liters per 100 km and an 80-liter fuel tank, you can expect a commendable range of up to 1,067 km per fill-up. This makes it perfect for long journeys or work-related travel. The vehicle also comes with a manufacturers warranty for added peace of mind. Whether youre navigating city streets or exploring the great outdoors, the

2026 Ford Ranger Tremor ensures you do so with confidence and style.
