Description

Experience unmatched versatility and power with the 2026 Ford Everest 2.0 Biturbo Sport. This robust SUV, finished in sleek silver, combines practicality with performance, making it ideal for both urban adventures and off-road escapades. Under the hood, a front-positioned 2.0-liter turbo diesel engine delivers an impressive 154 kW of power and 500 Nm of torque, ensuring a smooth yet commanding drive. With an average fuel consumption of 7.5 L/100 km and a remarkable range of 1,013 km on a full tank, the Everest promises efficiency without compromise. Designed for the modern driver, the Ford Everest offers a spacious interior and advanced safety features, perfect for families or those who crave extra space. Its intelligent 4-cylinder layout optimizes fuel efficiency while reducing CO2 emissions to 198 g/km, demonstrating Ford’s commitment to sustainable driving. Backed by a comprehensive warranty, this vehicle not only promises reliability but also peace of mind. Whether you’re navigating city streets or exploring the great outdoors, the Everest 2.0 Biturbo Sport
