**Description**

Discover the 2026 Ford Ranger 2.0 Sit Double Cab XLT, a versatile powerhouse designed to meet your everyday driving and adventure needs. Featuring a robust 2.0 turbo diesel engine, this Ranger delivers a solid 125 kW of power and 405 Nm of torque, ensuring a reliable performance whether you're navigating city streets or off-road trails. With an average fuel consumption of 7.5 l/100km and a fuel range of approximately 1,067 km, it's built for efficiency and long journeys. The Frozen White exterior offers a sleek and contemporary look that matches its rugged capabilities. Packed with practicality and backed by a comprehensive warranty covering up to 120,000 km, the Ranger XLT makes a perfect companion for both work and play. Its front-engine, i4 cylinder layout provides a balanced drive, while the spacious double cab ensures comfort for passengers and ample storage space. Ideal for families and professionals alike, this vehicle combines Ford's reliability with modern engineering, making it a smart choice for your next vehicle upgrade. Get ready to experience a blend of power,
