Description

Introducing the 2026 Ford Ranger 2.0 Sit Double Cab XL Auto, a robust and versatile pickup designed to meet your everyday driving and utility needs. Finished in a sleek Iconic Silver, this model combines practicality with style, making it an ideal choice for both urban commuting and off-road adventures. The 2.0 turbo diesel engine delivers an impressive 125 kW of power and 405 Nm of torque, ensuring confident performance whether you're on the highway or tackling rugged terrain. With a fuel consumption of just 7.5 l/100 km, the Ranger offers a remarkable range of 1,067 km on a full tank, keeping your journeys both efficient and economical. Equipped with modern conveniences like cruise control, rear park distance control with a camera, and a spacious double cab, this Ranger ensures comfort and ease for both driver and passengers. The vehicle's comprehensive warranty covers up to 140,000 km, providing peace of mind for years to come. Its CO2 emissions of 197 g/km reflect Ford's commitment to sustainability. The front-positioned engine and i4 cylinder layout offer a balanced and dynamic driving experience. The 2026 Ford Ranger is not just a car; it's a dependable partner ready to enhance your driving lifestyle.
