### Description

Introducing the 2025 Ford Ranger 2.0 Biturbo Double Cab Tremor 4WD in sleek greya robust contender for those demanding both power and versatility in their vehicle. Equipped with a front-positioned 2.0 turbo diesel engine, this Ranger delivers an impressive 154 kW of power and a substantial 500 Nm of torque, ensuring a commanding performance whether you’re navigating city streets or tackling off-road terrain. With a fuel consumption rate of 7.5 L/100km, an 80-liter fuel tank, and an average range of 1,067 km, this model promises efficiency and fewer stops at the pump, ideal for long journeys. Designed for adventure, the Ranger Tremor variant features 4WD capabilities, making it well-suited for rugged landscapes and challenging conditions. Inside the double cab, there’s ample space for passengers, offering comfort and practicality for family outings or work commutes. Emitting 195 g/km of CO<sub>2</sub>,

it aligns with environmental standards while providing the durability and reliability expected from Ford. With a manufacturer's warranty included, you can drive with peace of mind knowing your investment is protected. Whether for business or leisure, this Ranger is engineered to meet diverse needs with style and strength.
