Description

The 2026 Ford Ranger 2.0 SiT Single Cab XL Auto is built for businesses and professionals who need a tough, reliable, and efficient workhorse. Powered by Ford's proven 2.0L Single-Turbo diesel engine paired with a smooth automatic transmission, it delivers excellent fuel economy, strong low-end torque, and effortless daily driving. The updated Ranger platform features a bold, modern design with LED lighting, a reinforced chassis, and improved ride comfort — ideal for long hours on the road. Inside, the XL trim offers a practical, durable cabin equipped with Bluetooth, reverse camera, multifunction steering wheel, and essential safety features. The spacious load bin provides exceptional carrying capacity, making it perfect for contractors, fleets, and small businesses. Whether navigating city routes or tackling demanding work environments, the 2026 Ranger XL Single Cab offers reliability, capability, and long-term value.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa
