Description

The 2026 Ford Everest 2.0 Bi-Turbo Sport is built for families and adventurers who want premium comfort, strong performance, and modern capability in one commanding SUV. Powered by Ford's refined 2.0L Bi-Turbo diesel engine paired with a smooth 10-speed automatic transmission, it delivers impressive torque, effortless acceleration, and excellent fuel efficiency. The Sport trim enhances the Everest's bold presence with blacked-out styling, LED lighting, 20-inch alloys, and a confident, muscular stance. Inside, the cabin offers a luxurious feel with leather-trimmed seats, SYNC infotainment, smartphone connectivity, reverse camera, digital displays, and advanced driver-assist technologies. With its spacious 7-seater layout, exceptional ride comfort, and versatile cargo space, the Everest Sport is perfect for long-distance travel, daily commuting, and weekend adventures. Whether on tar or gravel, the 2026 Everest delivers refinement, capability, and premium practicality.
