Description

The 2026 Ford Ranger 2.0 Bi-Turbo Double Cab XLT delivers the perfect blend of power, refinement, and modern capability. Equipped with Ford's advanced 2.0L Bi-Turbo diesel engine and 10-speed automatic transmission, it offers exceptional torque, smooth acceleration, and impressive fuel efficiency. The updated Ranger platform features a bold, muscular design with LED lighting, a confident stance, and Ford's signature toughness. Inside, the XLT trim elevates comfort with premium finishes, SYNC infotainment, smartphone connectivity, reverse camera, multifunction steering wheel, and advanced driver-assist technologies. The spacious double cab ensures comfort for family, colleagues, or crew, while the durable load bin and strong towing capacity make it ideal for work and leisure. Whether navigating city streets, long-distance travel, or weekend adventures, the 2026 Ranger XLT delivers reliability, versatility, and a premium driving experience.
