### Description

The 2025 Ford Ranger 2.0D XL A/T Double Cab is built for drivers who want reliability, practicality, and modern capability in one smart package. Powered by Ford's efficient 2.0L diesel engine paired with a smooth automatic transmission, it delivers excellent fuel economy and strong low-end torque — ideal for both work and family use. The updated Ranger platform offers a bold, confident design with LED lighting, a tough chassis, and improved ride comfort. Inside, the XL trim is clean, functional, and well-equipped, featuring an intuitive infotainment system, Bluetooth, reverse camera, multifunction steering wheel, and advanced safety tech. The spacious double cab ensures comfort for all passengers, while the durable load bin and impressive towing capacity make it a dependable partner for business, travel, and everyday life. The 2025 Ranger XL is a smart, versatile choice for anyone seeking value, capability, and long-term durability.
