### Description

The 2026 Ford Ranger 2.0 SiT Double Cab XLT delivers the perfect balance of modern capability, refined comfort, and everyday practicality. Powered by Ford's efficient 2.0L Single-Turbo diesel engine, it offers strong torque, smooth power delivery, and excellent fuel economy — ideal for both work and family use. The updated design features a bold front grille, LED lighting, and a confident stance that reflects the Ranger's reputation for toughness. Inside, the XLT trim provides a premium feel with an intuitive SYNC infotainment system, smartphone connectivity, reverse camera, multifunction steering wheel, and advanced driver-assist features. The spacious double cab ensures comfort for all passengers, while the durable load bin and impressive towing capacity make it a reliable partner for business or leisure. Whether navigating city streets or tackling weekend adventures, the 2026 Ranger XLT offers versatility, reliability, and unmistakable Ford quality.
