Description

Meet the 2024 Ford Ranger 2.0 Sit Double Cab, the perfect blend of power, efficiency, and practicality for both urban and off-road adventures. Finished in an elegant Carbonized Grey, this robust vehicle is powered by a 2.0L turbo diesel engine that delivers 125 kW of power and a remarkable 405 Nm of torque. With an average fuel consumption of 6.9 L/100 km and a generous 80-liter fuel tank, you can enjoy an impressive range of approximately 1,159 km, making it ideal for long drives. Equipped with cruise control as an optional extra, the Ford Ranger ensures a comfortable and relaxed driving experience. The front-engine design and i4 cylinder layout contribute to its smooth performance while maintaining a low CO2 emission rate of 181 g/km. Suitable for both work and leisure, this double cab offers versatility without compromising on style or functionality. With a warranty included, the 2024 Ford Ranger 2.0 Sit Double Cab is a reliable choice for those seeking a vehicle that combines durability with modern features.
