### Description

The Ford Ranger 2.0D XLT High Rider Automatic Double Cab is a perfect blend of power, comfort, and practicality. Equipped with a 2.0L bi-turbo diesel engine producing 154 kW and 500 Nm, it delivers strong performance and excellent towing capability (up to 3,500 kg). The 10-speed automatic transmission ensures smooth gear shifts and improved fuel efficiency, averaging around 7.58.0 L/100 km. Inside, the XLT trim offers premium features like SYNC infotainment, Apple CarPlay/Android Auto, cruise control, and advanced driver-assist tech. Safety is comprehensive with multiple airbags, ABS, traction control, and lane-keeping assist. Its spacious double cab makes it ideal for families or work crews, while the rugged design and high ground clearance suit both urban and off-road adventures. The XLT strikes a balance between affordability and luxury, making it one of the most versatile choices in the Ranger lineup.
