Description

Experience the perfect blend of power and efficiency with the 2026 Ford Ranger 2.0 Biturbo Double Cab Wildtrak in striking silver. Designed for both adventure and utility, this model is equipped with a robust 2.0 turbo diesel engine that delivers an impressive 154 kW of power and 500 Nm of torque, making it ideal for both on-road and off-road escapades. The efficient fuel consumption of 7.2 L/100 km and a generous 80-liter fuel tank provide an excellent range of approximately 1,111 km, ensuring fewer stops on your journeys. The Ranger Wildtrak is engineered with a focus on durability and comfort, featuring a front engine layout and an intelligent i4 cylinder configuration that balances performance with economy. Its sleek design and advanced features make it suitable for both professional tasks and leisure activities, all while maintaining eco-consciousness with average CO2 emissions of 188 g/km. With a comprehensive warranty for peace of mind, this vehicle is a reliable partner for those seeking a versatile and capable

double cab experience.
