Description

Discover the perfect blend of power and practicality with the 2026 Ford Ranger 2.0 Sit Double Cab XL Manual. This robust vehicle is engineered for versatility, featuring a 2.0L turbo diesel engine that delivers 125 kW of power and an impressive 405 Nm of torque, making it ideal for both city commuting and off-road adventures. With an average fuel consumption of 6.9 L/100km and an extensive fuel range of approximately 1159 km, it ensures fewer stops and more exploration. The Ranger's interior is designed for comfort and convenience, highlighted by optional extras such as cruise control and rear park distance control, easing long drives and tight parking maneuvers. The spacious double cab and practical load capacity make it an excellent choice for work and family needs. Finished in classic white, this vehicle comes with a warranty for added peace of mind. Whether tackling the daily grind or heading off the beaten path, the Ford Ranger 2.0 Sit Double Cab XL offers a reliable and efficient driving experience.
