Description

The 2023 Ford Ranger 2.0 SiT Double Cab XL Manual is built for drivers who want toughness, capability, and everyday practicality in one refined package. Powered by Ford's advanced 2.0-litre Single Turbo diesel engine, it delivers strong torque, impressive fuel efficiency, and a confident drive whether you're navigating city streets or tackling demanding work routes. The XL trim offers a clean, modern interior with durable finishes, Bluetooth connectivity, a multifunction steering wheel, air conditioning, and Ford's latest safety technology, including ABS, EBD, traction control, and multiple airbags. Its spacious double cab layout ensures comfort for passengers while still offering the rugged load-bin capacity the Ranger is known for. With its bold stance, updated styling, and proven reliability, the 2023 Ranger remains one of South Africa's most trusted bakkies. This unit is well-maintained, versatile, and ready for both business and family life — a true workhorse with everyday comfort.
