### Description

The 2023 Nissan Magnite 1.0T Acenta CVT is a stylish and efficient compact SUV that delivers a bold presence with practical everyday performance. Powered by a responsive 1.0-litre turbocharged engine paired with a smooth CVT automatic transmission, it offers confident acceleration and excellent fuel economy for city driving and highway cruising. The Acenta specification comes equipped with modern conveniences such as an 8" touchscreen infotainment system with Bluetooth and Apple/Android CarPlay, keyless entry and push-button start, air conditioning, cruise control, and a reverse camera — all wrapped in a modern SUV design with 16" two-tone alloy wheels. With six airbags and essential safety features like , it's a great choice for small families and first-time SUV buyers looking for value, comfort, and connectivity in one capable crossover.

Simon Vermooten Rd, Waltloo, Pretoria, South Africa
