Description

subject to inhouse finance! The 2023 Ford Ranger 2.0D Bi-Turbo Wildtrak Double Cab 4x2 10AT is a refined and capable double-cab bakkie that delivers strong performance and modern comfort. Powered by a robust 2.0-litre Bi-Turbo diesel engine matched to a smooth 10-speed automatic transmission, it offers excellent torque for confident driving and towing on roads or light trails. The Wildtrak specification brings premium touches such as a smart infotainment system with Bluetooth and Apple/Android CarPlay, a reverse camera, air conditioning, and multiple airbags for peace of mind. With power steering, central locking, ABS with EBD, and a reliable built-in security system, this Ranger strikes a great balance between work-ready capability and everyday practicality for both business and lifestyle use.
