Description

The 2023 Toyota Corolla Cross 1.8 GR-S is a sporty and stylish version of Toyota's popular compact SUV, combining dynamic design with everyday practicality. Powered by a responsive 1.8-litre naturally aspirated petrol engine paired with a smooth CVT automatic transmission, it delivers confident performance and efficiency ideally suited to both city driving and highway cruising. The GR-S specification adds unique sporty touches inside and out — including bold GR styling elements — while offering a well-appointed interior with Bluetooth connectivity, Apple CarPlay & Android Auto, dual-zone climate control, a reverse camera, cruise control and a comprehensive safety package. With strong build quality, plenty of modern tech and Toyota's legendary reliability, the Corolla Cross GR-S is a comfortable, fun-to-drive SUV that stands out in its class.
