### Description

Introducing the 2023 Ford Everest 2.0 Biturbo Sport in striking Frozen White, a robust SUV designed for both urban and rugged terrains. Powered by a 2.0-liter turbo diesel engine, this vehicle delivers 154 kW of power and a remarkable 500 Nm of torque, ensuring a dynamic driving experience with excellent towing capabilities. The efficient engine averages 7.5 l/100 km, providing an impressive fuel range of approximately 1,013 km, making it ideal for long journeys without frequent refueling stops. The Everest offers practicality with its spacious interior, while the front-engine layout maximizes cabin space. With 120,000 km of warranty coverage remaining, you can drive with confidence knowing your investment is protected. This SUV combines power and efficiency with a sleek design and a focus on safety, making it perfect for families and adventure seekers alike. Experience the perfect balance of style, performance, and reliability with the Ford Everest 2.0 Biturbo Sport.
