### Description

Introducing the stunning new Ford Ranger 3.0 V6 Bi Turbo Ecoboost Raptor 4x4 Auto, a powerful and versatile pick-up designed to turn heads and conquer any terrain. Finished in sleek black, this double cab offers a commanding presence with its bold styling and rugged appeal. Under the bonnet, it boasts a robust 292kW V6 petrol engine paired with an automatic transmission for smooth, effortless driving. The Raptor's 4x4 capability makes it perfect for off-road adventures or tough workdays, while the modern features include seven airbags and ABS for added safety. With an impressive fuel range of approximately 696 kilometres and a fuel consumption of 11.5 litres per 100 kilometres, it is both efficient and powerful. The spacious interior comfortably seats your crew, making every journey enjoyable. With only 10 kilometres on the odometer, this fresh-from-the-factory vehicle is ready for its new owner. Whether you're tackling challenging terrain or cruising through city streets, the Ford Ranger Raptor delivers performance, safety, and style in one commanding package. Visit Eshowe
