Description

Discover the power and versatility of the 2023 Toyota Land Cruiser Prado 2.8GD VX, a vehicle designed to conquer both urban landscapes and rugged terrains. This robust SUV is equipped with a front-positioned 2.8-liter turbo diesel engine, delivering 150 kW of power and a remarkable 500 Nm of torque, ensuring a smooth yet commanding driving experience. With a spacious fuel capacity of 150 liters, this Prado boasts an impressive average fuel range of 1,765 km, making it an ideal companion for long journeys. Crafted for those who demand reliability and performance, the Prado offers an average fuel consumption of 7.9 l/100km, balancing efficiency with power. Its sleek silver exterior complements its rugged capabilities, while the i4 cylinder layout enhances its engineering prowess. Although this model does not include a warranty, its renowned Toyota durability offers peace of mind. With CO2 emissions of 209 g/km, this vehicle adheres to environmental standards without compromising on power. Whether you're navigating city streets or exploring off-road paths, the Land
