Description

Experience the versatility and power of the 2024 Ford Ranger 2.0 Biturbo Double Cab Tremor 4WD, a vehicle designed to conquer both urban landscapes and rugged terrains effortlessly. Sporting a striking red finish, this model is powered by a robust 2.0-liter turbo diesel engine, delivering a formidable 154 kW and 500 Nm of torque. With a front engine position and a fuel efficiency of 7.5 l/100km, the Ranger offers an impressive range of 1,067 km on an 80-liter tank, making it an ideal companion for long journeys and off-road adventures. This double cab variant ensures ample space and comfort for passengers while maintaining Ford's commitment to safety and innovation. Equipped with a comprehensive warranty, the Ranger Tremor promises peace of mind for the road ahead. Its CO2 emissions of 195 g/km reflect a conscientious approach to sustainability in a powerful diesel truck. Whether tackling daily commutes or exploring new horizons, the Ford Ranger Tremor

is built to deliver reliability and performance, making it a perfect fit for those who seek capability and style in one package.
