## Description

The 2022 Proton X90 1.5T Executive AWD is a sophisticated and well-equipped seven-seat SUV that combines modern design, family-friendly practicality, and advanced technology. Powered by a 1.5-litre turbocharged petrol engine paired with a mild-hybrid system and an automatic transmission, it delivers refined performance with smooth acceleration and excellent fuel efficiency. The Executive specification enhances comfort and convenience with features such as a large touchscreen infotainment system with Bluetooth and Apple/Android CarPlay, dual-zone climate control, a 360° parking camera, automatic headlights and rain-sensing wipers, leatherette seating, power-adjustable and ventilated front seats, and a comprehensive suite of safety features including multiple airbags, ABS with EBD, keyless entry and a factory security system. With its generous seating for up to seven passengers and its stylish yet functional cabin, the X90 Executive is ideal for growing families or anyone seeking a well-appointed SUV with modern amenities and strong everyday capability.
