Description

The 2023 Proton X70 1.5T Standard is a stylish and well-equipped compact SUV that delivers confident performance and everyday practicality. Powered by a responsive 1.5-litre turbocharged petrol engine paired with a smooth automatic transmission, it offers composed performance for both city commuting and open-road driving. The Standard specification includes key modern features such as Bluetooth connectivity, Apple CarPlay & Android Auto via the touchscreen infotainment system, air conditioning, a rear-view camera, ABS with EBD, multiple airbags, and a secure central locking system — all designed to enhance comfort, convenience, and safety. With its attractive design, generous interior space, and versatile capability, the X70 1.5T Standard is an excellent choice for families, daily drivers, and anyone seeking a capable SUV with great value. All our Pre-Owned Vehicles undergo a stringent Multi-Point Check and DEKRA Roadworthy before delivery. We deliver countrywide. Trade-ins are accepted, and finance is available with all major banks. A test drive is highly recommended. Price excludes dealer fees and value-added products.
