#### Description

Meet the 2025 Suzuki Swift 1.2 GL, a compact powerhouse designed for efficiency and urban agility. This silver hatchback combines practicality with style, offering a front-positioned 1.2-liter i3 petrol engine that delivers a balanced 60 kW of power and 112 Nm of torque. With an impressive average fuel consumption of just 4.4 l/100 km and a fuel range of up to 841 km, the Swift ensures fewer stops at the pump and more time on the road. Perfect for city driving and beyond, the Swift 1.2 GL is equipped with a top speed of 170 km/h and maintains low CO2 emissions at 102 g/km, aligning performance with eco-friendliness. Whether you're navigating through city traffic or cruising on the highway, the Swift is engineered to provide a smooth and responsive driving experience. Plus, with a manufacturer's warranty included, you can drive with peace of mind knowing you're covered. Discover the blend of reliability, efficiency, and style with the 2025 Suzuki Swift 1.2 GL.
