Description

The 2022 Proton X50 1.5T Premium is a stylish and well-appointed compact SUV that strikes a great balance between modern technology, comfort, and everyday performance. Powered by a 1.5-litre turbocharged petrol engine paired with an automatic transmission, it delivers smooth acceleration, responsive handling, and confident efficiency for both city driving and highway cruising. The Premium specification features a range of desirable amenities including Bluetooth connectivity, Apple CarPlay & Android Auto integration, a rear-view camera, automatic climate control, and a comprehensive airbag safety suite, all backed by a secure factory locking and immobiliser system. With its contemporary design, spacious cabin, and thoughtful feature set, the X50 1.5T Premium is ideal for families, commuters, and anyone looking for a capable and connected SUV with great value. All our Pre-Owned Vehicles undergo a stringent Multi-Point Check and DEKRA Roadworthy before delivery. We deliver nationwide. Trade-ins are accepted, and finance is available with all major banks. A test drive is highly recommended. Price excludes dealer fees and value-added products.
