Description

Experience the power and versatility of the 2026 Ford Ranger 2.0 Biturbo Double Cab Wildtrak. Designed for both rugged terrains and urban adventures, this white double cab is equipped with a robust 2.0-liter turbo diesel engine. Delivering a maximum power of 154 kW and an impressive 500 Nm of torque, it offers a remarkable balance of strength and efficiency. With an average fuel consumption of 7.2 l/100 km and a fuel range of approximately 1,111 km, the Ranger is built to go the distance without frequent stops. The Ranger Wildtrak is perfect for those who demand reliability and comfort on any journey. Its front-engine layout provides optimal balance and control, while a fuel capacity of 80 liters ensures extended travel capability. Enjoy peace of mind with an inclusive warranty, and benefit from reduced CO2 emissions at 188 g/km, contributing to a more eco-conscious drive. Whether you're tackling off-road trails or cruising through the city, the Ford Ranger Wildtrak stands ready to deliver an exceptional driving experience.
