Description

Discover the perfect blend of power and practicality with the 2026 Ford Ranger 2.0 Sit Supercab XL Auto. This robust yet stylish pickup, dressed in a sleek Carbonized Grey finish, is engineered for those who demand both performance and efficiency. Under the hood, the 2.0 turbo diesel engine delivers an impressive 125 kW of power and 405 Nm of torque, ensuring you have the muscle needed for both urban and off-road adventures. With a fuel consumption of just 7.5 l/100 km and an 80-liter tank, you can enjoy an average range of 1,067 km, making it ideal for long journeys. Inside, the Ranger prioritizes comfort and convenience. The Supercab design offers ample space, while features like cruise control and rear park distance control enhance your driving experience. Whether you're tackling tough terrains or cruising city streets, the Ranger's advanced engineering and thoughtful design make it a reliable companion. Plus, with a comprehensive warranty, you can drive with peace of mind. Choose the Ford Ranger 2.0 Sit Supercab XL Auto for a vehicle that embodies

strength, efficiency, and modern functionality.
