#### Description

Experience the perfect blend of power and practicality with the 2026 Ford Ranger 2.0 Biturbo Double Cab Wildtrak. This robust vehicle, dressed in an elegant Carbonized Grey, is designed to tackle any terrain with confidence, thanks to its powerful 2.0 turbo diesel engine delivering 154 kW and a substantial 500 Nm of torque. The front-positioned i4 engine ensures efficient fuel consumption at an average of 7.2 l/100 km, offering an impressive range of up to 1,111 km on a single 80-liter tank, making it ideal for long journeys and daily commutes alike. The Ranger Wildtrak is not just about performance; it also prioritizes driver and passenger comfort. Its spacious double cab provides ample room for family or colleagues, while the vehicle's modern design ensures you arrive in style. Backed by a comprehensive warranty, this Ford Ranger guarantees peace of mind with every drive. Whether you're navigating urban environments or exploring off-road adventures, the Ranger Wildtrak is ready to deliver reliability and exceptional

performance. Embrace the versatility and capability of a vehicle crafted to meet diverse driving needs.
